Welcome Message

Dear Colleagues, Scientists, Pharmacists, Drug Designers, Bioengineers and Friends,

It gives us great pleasure to extend greetings and a warm welcome to everyone attending International Conference on 2nd International Pharma Conference and Expo planned to be held in Frankfurt, Germany, in March 20-22, 2019.

The objective of this unique Conference is to promote the highest standards of pharmaceutical care in the management and support of patients. The aims to equip pharmacy practitioners with knowledge about recent developments advance the effectiveness of healthcare delivery and increase the quality of patient care. This monumental event features lots of opportunities to network with partners from the entire World in an exciting environment whilst sensing an explosive burst in Translational Research & Applications to make innovative and upgraded strategic alliances to secure our environment to be absolutely clean!! In celebrating the event, we strive to engrave the core message to every member of the pharmacy profession by means of the conference theme. There is no dispute that embedding pharmacists into the model of collaborative practice can improve patients' continuity of care and health outcomes.

In the ever-changing world, new frontiers of healthcare are rapidly evolving with the striking blend of innovation and integrated practice. In this sense, the theme reflects our willingness and enthusiasm to offer a really innovative and imaginative Program whilst offering attractive lectures and sessions with well-balanced inputs from academia, industry and regulators. The Conference will provide the ideal forum to stimulate ideas and establish collaborations as well as to initiate intense discussions to secure projects of the newest generations and to feature a highly interactive, stimulating and multidisciplinary Program including workshops, plenary sessions and panel discussions.

We sincerely hope you will find the Meeting enlightening and inspiring. Come share new perspectives about the new frontiers of pharmacy profession. We hope that, despite the intense Program, you will be able to get some glimpses of the greatest Frankfurt and hope also that you will enjoy the Conference and that your interaction with your colleagues will stimulate a creative exchange of ideas and will be personally rewarding!
